

# Iditapark: Phase 1

matsugov.us/raingardens • planning@matsugov.us • 907-745-9833

## Mat-Su Rain Gardens

**Installed: May 2011**

**Size:**

**Rain Garden #1: 100 sq ft**

**Rain Garden #2: 120 sq ft**

**Total Costs for both: \$4,100**

Excavation: \$2,010

Topsoil: \$1,080

Mulch: \$405

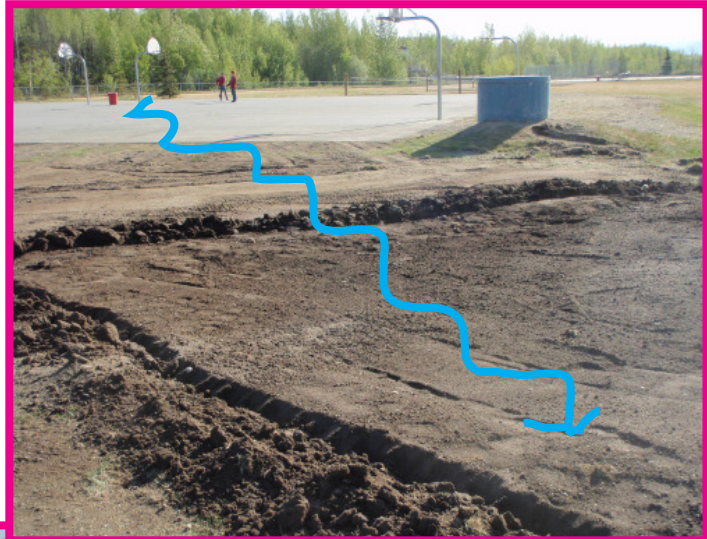

Plants: \$605

Students from Teeland Middle School planted the gardens.

**Rain Garden #1** collects runoff mostly from the parking lot.

**Rain Garden #2** collects runoff mostly from the basketball courts.

# Iditapark: Phase 2

## Mat-Su Rain Gardens

Both rain gardens needed to be made larger. They were receiving more stormwater than they could handle. We expanded the rain gardens in July 2012 with volunteers from Conoco Phillips, The Nature Conservancy, and the Student Conservation Association.

**Expanded Rain Garden #1** collects runoff mostly from the parking lot.

**Expanded Rain Garden #2** collects runoff mostly from the basketball courts.
