transfer-site-recycling/](http://valleyrecycling.org/what-how-to-recycle/transfer-site-recycling/)*

WHAT IS CONSTRUCTION & DEMOLITION (C&D) MATERIAL?

C&D cell materials are items that can be placed in a much less expensive unlined cell, saving us all money by avoiding unnecessary use of lined cell airspace. Please divert items like concrete, wood, and furniture to save that money.

MAT-SU BOROUGH TRANSFER STATIONS & SITES

BIG LAKE TRANSFER STATION

13507
Hollywood Rd

BUTTE TRANSFER STATION

17390 E.
Butte Road

SUTTON TRANSFER STATION

15625 N.
Glenn Hwy

TALKEETNA TRANSFER STATION

24150 S.
Comsat Road

WILLOW TRANSFER STATION

15469 N. Willow
Station Rd

Transfer Stations offer waste disposal services to citizens and small businesses at a nominal fee.

The maximum load size is 5 cubic yards, and no item can exceed eight (8) feet in length.

All loads must be properly secured in accordance with Borough Code 8.05.070 (loads may be secured with tarps, bungee cords, cargo nets, ropes, tie-downs, etc. as long as the load is not able to blow out of, slide off of, or bounce out of the vehicle).

HOUSEHOLD UNIVERSAL WASTES:

Small quantities of waste oils, antifreeze, batteries, and latex paint are accepted at most facilities. These items must be placed in the proper container and not disposed of in the waste container.

SCRAP METAL:

Scrap metal such as snowmachines, automobile parts, washers, dryers, and refrigerators are only accepted at Big Lake and the Central Landfill. This applies to all metal.

BRUSH, GRASS & LEAVES:

Many Transfer Stations have a separate pile for brush, grass, and leaves - because these items are a potential fire hazard inside the waste containers. Please be sure to dump all brush, grass, and leaves out of bags. Kitchen trash and other items are not allowed in the brush pile.

CARDBOARD:

Commercial quantities of cardboard (more than 1 cubic yard) is not accepted for waste disposal at any Transfer Stations. If your Transfer Station does not have a recycling bin for cardboard, you can bring it to the VCRS building in Palmer.

RECYCLING:

Many Transfer Stations have recycling bins for specific items. Recycling hours and items accepted vary by location - please visit www.valleyrecycling.org for more information.

TRANSFER SITES throughout the Mat-Su Borough.

Transfer Sites are either manned or unmanned sites run by third party vendors. Most are charged at the same rates as those found at the other stations.

You can find contact information and hours on our website at www.matsugov.us under Services/Transfer Sites.

The current Transfer Sites include:

Clearwater Mountain Lodge
Mile 82.2 Denali Highway, Cantwell

Eureka Lodge
Mile 128 Glenn Highway, Glennallen

Lake Louise
26501 S. Lake Louise Road, Glennallen

Long Rifle Lodge
31406 West Glenn Highway, Glacier View

Maclaren River Lodge
Mile 42 Denali Highway, Gakona

Point MacKenzie
22481 West Point MacKenzie Road

Skwentna Transfer Site

Trapper Creek
Milepost 116.5 of the George Parks Hwy.

NOTE: The Transfer Station operators are operating under strict guidelines and pricing structures outlined in EPA, ADEC and Borough Assembly guidelines. **Abusive behavior and/or foul language will not be tolerated. Operators may turn away customers at their discretion.**
