# **Voting Information**

#### POLLING PLACES

The polls are open from 7 a.m. to 8 p.m. on Election Day. To locate your polling place, please refer to the information on page 7.

#### **BRING IDENTIFICATION TO THE POLLS**

You must be prepared to show one form of acceptable identification, which includes:

- Voter ID Card
   Driver's License
- State ID Card
   Valid Photo ID Card
- Passport
- Military ID Card
- Birth Certificate
   Hunting or Fishing License

If you do NOT have identification when voting, you will be asked to vote a questioned ballot.

#### MARKING THE BALLOT

When voting the ballot, completely fill in the oval next to the candidate or issue you wish to vote for with a <u>black</u> or <u>blue</u> ink pen. Do NOT use red ink. Completely fill in the oval like this:

You only have to mark the races or issues you choose to vote for. If you mark more than one choice in a race or issue, that section of the ballot will NOT be counted. The sections of the ballot that are properly marked will be counted.

If you make a mistake marking your ballot, do NOT erase or correct the ballot. Return the spoiled ballot to an election worker and request a new ballot. You may only receive a replacement for a spoiled ballot two times for a total of three ballots issued.

#### CAMPAIGNING PROHIBITED IN OR NEAR THE POLLS (ELECTIONEERING)

Electioneering is an act that is meant to persuade voters to vote in a particular way. During the hours the polls are open, no person who is in the polling place or **within 200 feet** of any entrance of the polling place may attempt to persuade a person to vote for or against a candidate, proposition, or question. Examples of electioneering include: discussion of candidates or issues, displaying campaign signs, bumper stickers, buttons, hats, and other like items.

#### NONPARTISAN REQUIREMENTS

All Borough elections are nonpartisan pursuant to Borough code. Candidate party affiliation is not listed on the ballot nor in this brochure.

#### QUESTIONED BALLOT VOTING

You will be asked to vote a questioned ballot:

- If your name is NOT listed on the precinct register
- If you do not have identification
- If you choose to vote outside of your precinct on Election Day
- If your qualifications to vote have been questioned

Before receiving a ballot, you must complete a questioned ballot envelope. Your voted ballot will be placed in a secrecy sleeve and sealed inside your completed ballot envelope. The information you provide on the outside of the ballot envelope will be used to determine your voting eligibility and to update your voter registration record with the Alaska State Division of Elections. If for any reason your questioned ballot is not counted, you will be notified in writing.

#### **ASSISTANCE TO VOTERS**

Non-English speaking voters, voters who are blind, physically impaired, or otherwise incapable of marking a ballot, may bring a person, or if necessary two persons, of their choice with them to the poll to assist them in casting their ballot. The persons assisting the voter may not be a candidate for office in that election, a family member of a candidate for office in that election, the voter's employer, agent of the employer, or an officer or agent of the voter's union. The person providing assistance must take an oath before an election official not to divulge how the voter cast their ballot. Voters may also request an election official to assist them.

Polling locations within the Borough do not have language assistance for voters who have limited English proficiency. If you or someone you know needs language assistance, please contact the Borough Clerk's Office at 907-861-8683.

Magnifying ballot viewers for the visually impaired are available at all voting locations.

If you have difficulty gaining access to your polling place, or if you have accessibility questions about your polling place, please contact the Borough Clerk's Office at 907-861-8683.

#### Voting Assistance

A Touch Screen Voting unit will be available at the Mat-Su Borough DSJ Administration Building and the Mat-Su Division of Elections June 27, 2022, through July 11, 2022. Touch screen voting is intended for the blind, the disabled, and voters with reading difficulties. The touch screen unit allows disabled voters to vote unassisted with a magnified, high contrast, and audio ballot.

#### VOTING BY PERSONAL REPRESENTATIVE

A voter with a disability, who because of that disability is unable to go to a polling location, may appoint a personal representative to obtain all voting information and a ballot from an election official. Special Needs voting is available during the voting period from any early/absentee voting location or at any polling location on Election Day.

You may vote from the convenience of your home by applying for an absentee by-mail ballot. See pages 22 and 23 for more information.

#### Proposition No. 4

Increasing the Mat-Su Borough's Senior/Disabled Veteran Residential Owner Occupied Property Optional Tax Exemption From \$68,000 to \$114,000 of Assessed Value For A Total Exemption Of \$264,000

The Matanuska-Susitna Borough currently provides an optional real property tax exemption of \$68,000 of assessed value that is in addition to the State required exemption of \$150,000 of assessed value of real property owned and occupied as a permanent place of abode of a resident who is (1) Sixty-five years of age or older, (2) a disabled veteran, including a person who was disabled in the line of duty while serving in the Alaska Territorial Guard, or (3) at least 60 years old and a widow or widower of a person who qualified for an exemption. This exemption applies in addition to any other exemption applicable to the property. Currently, the total of the exemptions is \$218,000.

The Matanuska-Susitna Borough proposes to increase the optional exemption from \$68,000 to \$114,000 for a total exemption of \$264,000 and provide that the optional portion of the exemption will be adjusted annually based upon the percentage change in the federal Housing Price Index.

The estimated cost of this change in the first year exceeds \$2.9 million.

Or call the Borough Clerk's Office at 907-861-8683. A copy of the ordinance will be available at all voting locations.

#### Areawide vs. Non-Areawide

All registered voters of the Borough are entitled to vote, but not all voters are entitled to vote on the same races or issues. The address a voter identifies as their residence address when registering to vote, determines what ballot type the voter receives.

Borough ballot issues are divided into two groups: **areawide** and **non-areawide**.

**Areawide** means all voters are entitled to vote on a candidate or issue, such as Borough Mayor and areawide ballot propositions.

**Non-areawide** means a voter must reside in a particular voting area to vote on a candidate or issue such as Borough Assembly or School Board races, annexations, creation of service areas, or other propositions for voters residing in certain areas of the Borough outside the cities of Houston, Palmer, or Wasilla.

For more information, call the Borough Clerk's Office at 907-861-8683.
