**Statement:** I want to bring transparency and trust to the decisions that profoundly affect our students, parents, and staff.

The Board changes policy with little or no explanation. Voters deserve to know not just how a board member votes, but WHY they vote that way.

I also want to mend the relationship between the employees and the Board. Employees do not feel heard, valued, or trusted. This district has an incredible group of dedicated educators who work both in and outside of classrooms. I will endeavor to bring our educators, board, and community together to find solutions that work for everyone.

## Areawide vs. Non-Areawide

---

All registered voters of the Borough are entitled to vote, but not all voters are entitled to vote on the same races or issues. The address a voter identifies as their residence address when registering to vote, determines what ballot type the voter receives.

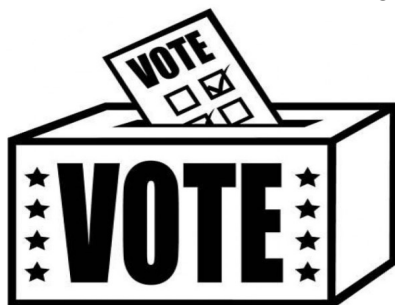

Borough ballot issues are divided into two groups: **areawide** and **non-areawide**.

**Areawide** means all voters are entitled to vote on a candidate or issue, such as Borough Mayor and areawide ballot propositions.

**Non-areawide** means a voter must reside in a particular voting area to vote on a candidate or issue such as Borough Assembly or School Board races, annexations, creation of service areas, or other propositions for voters residing in certain areas of the Borough outside the cities of Houston, Palmer, or Wasilla.

For more information, call the Borough Clerk's Office at 907-861-8683.
