## SECTION II BIDDER INFORMATION

---

### GENERAL INFORMATION

A tax and local improvement district (LID) special assessment foreclosure sale is held by the Matanuska-Susitna Borough (Borough) for real properties deeded to the Borough by Clerk's Deed as a result of delinquent real property taxes and special assessments. The minimum bid price is the total resulting from delinquent taxes, special assessments, penalties, interest and costs associated with the tax and LID foreclosure and sale. The legal procedures for the Borough to hold a tax and LID foreclosure sale are provided in Alaska Statute and Borough Code.

**Pursuant to Alaska Statute, any or all of the properties included for sale may be repurchased by the former record owner(s) at any time before sale or contract of sale of the property. The right of repurchase by the owner of record at the time of the foreclosure or assigns of that record owner, ceases upon sale or contract of sale of the property.** Properties not sold during this sale may be offered at another sale until the property sells or the ten-year repurchase rights of the former record owner(s) expire.

The Borough is not obligated to sell the parcels identified for sale through this program or pay any costs incurred by parties participating in the submission or preparation of bids. The Borough reserves the right to: 1) reject any and all offers; 2) reject any and all parties whom it has determined do not meet the qualification requirements; 3) accept any offer without further discussion; 4) waive any informality in the offers received; 5) withdraw any parcel from this sale at any time for any reason and 6) reserves the right to postpone, adjourn, or annul the auction in part or in whole.

Bidders are responsible for completing and submitting all documentation shown on the Sealed Bid or Outcry Bid checklist. It is the bidder's responsibility to check with the Land & Resource Management Division for any changes or corrections prior to submitting a Sealed Bid or Outcry Bid. It is the bidder's sole responsibility to ensure all proper documents and payments are included in the bid envelope and received in the Land & Resource Management Division office before the deadline. Land & Resource Management staff will only offer general assistance in answering questions relating to the bid process.

To submit more than one bid, **each bid** must be submitted in a separate, sealed envelope clearly labeled as instructed in the section titled "Sealed Bid Checklist" or "Outcry Bid Card Checklist".

**These are "all cash" sales. There is no financing offered by the Borough for these parcels.**

By submitting a bid, you agree to abide by the rules set forth; and you agree to indemnify, defend, and hold the Borough, its elected and appointed officials, agents and employees, harmless from liability of any nature or kind regarding economic loss, damages or any other kind of loss sustained arising from participation in or acquiring property through Tax and LID Foreclosure Sale TS44.

Borough personnel are not allowed to give you legal advice. You are urged to consult various professionals such as architects, engineers, surveyors, title examiners, and real estate attorneys before making a decision to bid.

For the most up-to-date information, contact Jill Irsik, Land & Resource Management Division, 907-861-7866.

## **BIDDER REQUIREMENTS**

You must be at least eighteen (18) years of age to submit a sealed bid or purchase an outcry bid card.

You must be a qualified bidder to participate in the sale. Any bidder who: (1) is a legally competent person under the laws of Alaska; and (2) has not failed to pay a deposit or payment due the Borough in relation to Borough-owned real property in the previous five years; and (3) is not currently in breach or default on any contract or lease for real property transactions in which the Borough has an interest; and (4) has not failed to perform under a contract or lease involving Borough-owned real property in the previous five years and the Borough has not acted to terminate the contract or lease or to initiate legal action; and (5) has not failed to perform under or is not in default of a contract with the Borough and is not delinquent in any payment to the Borough, may participate in this sale.

The name(s) on the Sealed Bid Form (Form A) and on the Applicant/Bidder Qualification Statement (Form C) shall be the same. The name(s) on the Outcry Bid Card Form (Form B) and on the Applicant/Bidder Qualification Statement (Form C) shall be the same. A signed Applicant/Bidder Qualification Statement (Form C) must be submitted for each person or entity listed on the Sealed Bid Form (Form A) or the Outcry Bid Card Form (Form B). *All bidders participating in the sale must sign forms A or B, and C. **Original signatures required.***

If the bidder is represented by another individual or an individual is acting on behalf of an entity, including a partnership, corporation, limited liability company, association, trust or estate, proof of authority to sign on behalf of the principal(s) must be provided with the Sealed Bid Form (Form A) or the Outcry Bid Card Form (Form B).

If the bidder is an *individual* and cannot be present at the sale or closing, a *recorded* copy of the Special Power of Attorney (Form D) must be included with the Sealed Bid Form (Form A) or the Outcry Bid Card Form (Form B). The Special Power of Attorney (Form D) must be recorded in the recording district where the parcel is located. If bidding on parcels located in different recording districts, the Special Power of Attorney (Form D) must be recorded in EACH recording district. It is possible to do this by first recording the original Special Power of Attorney (Form D) in one district, and then obtaining certified copies of it to record in the other applicable recording districts.

**To be named a “successful bidder,” all parties named on the bid documents or their authorized agent(s) must be present on October 28, 2023, before 9 a.m. to sign the promissory note.** You or your authorized agent must remain until you or your authorized agent has signed the Promissory Note for any parcel(s) awarded to you. Failure to be present or represented at the sale will result in disqualification of the sealed bid and forfeiture of the bid deposit. Forfeiture shall be as a liquidated damage and not as a penalty.

**You must bring photo identification with you to the sale on Saturday, October 28, 2023, and to your scheduled closing on Wednesday, November 1, 2023.**

A sealed bid listing will be posted at the sale on Saturday, October 28, 2023, at 8:30 a.m.

### **TITLE**

**The Borough's interest to all parcels shall be conveyed without any warranty by a Tax and LID Foreclosure Sale Deed.** The Tax and LID Foreclosure Sale Deed is a quitclaim deed issued for anyone purchasing a Borough tax or LID foreclosed and deeded parcel. The Tax and LID Foreclosure Sale Deed only transfers whatever interest the Borough has in the property to the successful bidder at the time of sale.

**The name of the successful bidder(s) on the Applicant/Bidder Qualification Statement (Form C) shall carry forward to the Promissory Note and the Tax and LID Foreclosure Sale Deed. No name(s) will be added or removed before these documents are executed.**

The Borough does not guarantee title to the properties and makes no warranties, either expressed or implied, nor assumes any liability whatsoever, regarding but not limited to the social, economic, or environmental aspects of any parcel, to include without limitations, the soil conditions, water drainage, practical or feasible physical access, availability of personal use wood supplies now or in the future, natural or artificial hazards, merchantability, suitability or profitability of the parcel for any use or purpose.

Pursuant to Alaska Statute and Federal law, property in the sale may be subject to prior recorded tax liens of the United States and the State that are *not* extinguished by the Borough's foreclosure.

If you wish to negotiate with the IRS or State of Alaska regarding possible discharge of their liens, you must contact those organizations directly. Also, properties may be affected by one or more existing or pending Borough or city LID special assessments. It is the bidder's responsibility to determine and assume the costs.

**If you need to have the title to the property insured, you should consult a title company prior to bidding to determine if title insurance will be available, under what terms and conditions, and at what cost.** The Borough is not responsible for clearing title or determining the adequacy of any documents or information needed to do so. Buyers should be aware that having the ability to obtain a title insurance policy does not necessarily mean the title will be clear of liens and encumbrances. It is important to read and understand all exceptions and limitations of such a commitment and policy. Additionally, the Borough does not guarantee the suitability for any particular use or purpose whatsoever on any of these properties.

### **PROPERTY LOCATION**

The Borough assumes no liability for matters which would have been disclosed by a physical inspection of the parcel and by reviewing parcel information. Properties to be sold are located throughout the Borough.

The brief parcel description on the parcel listing is provided for informational and identification purposes only. It should not be construed as a complete legal description. The Borough reserves the right to accurately describe the parcel by a complete legal description in the Tax and LID Foreclosure Sale Deed.

**Perspective bidders are strongly urged and encouraged to personally inspect each parcel and review the parcel information available ONLY in the Land & Resource Management Division Sale Information Office before submitting a bid.**

Information concerning the properties for sale, general location, property profiles, litigation guarantees, plats, name(s) of former record owner(s), legal description, acreage, and subdivision covenants will be available in the Matanuska-Susitna Borough building, Land & Resource Management Division Sale Information Office, 350 E. Dahlia, Palmer, Alaska, beginning September 25, 2023, at 8:00 a.m. to 5 p.m. weekdays through October 27, 2023, at 12 noon. These items are provided for informational reference only. Visit the Borough Land & Resource Management Division Office Sale Room for more information.

ALL PARCELS IN THIS SALE WILL BE SOLD “AS IS –WHERE IS”. *All property inspections are done at your own risk.* Some parcels may be occupied or may have previously been occupied by private parties. Never enter an occupied dwelling without the occupant’s permission. Do not use force or other means of entry if the doors are locked. Do not enter a dwelling or structure that may appear unsafe. The Borough has not done any site assessments to determine the presence of any hazardous material, hazardous waste or above-ground or underground tanks or containers on any of these properties.

**USE EXTREME CAUTION - ANY SALE PARCEL MAY BE UNSAFE,  
MAY CONTAIN HARMFUL MATERIALS, OR MAY BE OR MAY HAVE BEEN  
OCCUPIED, ESPECIALLY:**

TS44-32, TS44-33, TS44-57, TS44-58**

The Borough obtained ownership by foreclosure for non-payment of taxes and LID special assessments and has no information regarding any well or septic system that may be installed on the parcel. It is the responsibility of the bidder to contact the State of Alaska, Department of Environmental Conservation, Wasilla Office, for well or septic records relating to any of the parcels.

It is the responsibility of the bidder to determine the cost and feasibility of extending and connecting to any utility facilities, including electric, natural gas, and telephone, or if public sewer or water systems serve any of the parcels.

It is the responsibility of the bidder to, among other things, investigate and determine the actual size of the parcel and parcel boundaries, regulations, restrictions and potential defects, including

those created by prior use, which would affect the use of any parcel offered in this sale. The feasibility and costs to remedy defects, such as obtaining permits, variances, engineered septic systems and the like, should be determined prior to submitting a bid on a parcel. All such costs shall be borne by the buyer. No adjustments to a bid price or reimbursement to a bidder will be made by the Borough.

The Borough does not guarantee that the pink 11" X 17" property posting signs will remain on the parcel(s) posted throughout the sale period.

Parcel, plat and vicinity maps and property postings provided in this packet and in the parcel sale books in the Land & Resource Management Information Office are a visual representation of data compiled from various sources and are not intended to replace on-ground inspections or actual surveys of the property boundaries. Any physical or geographic features, rights-of-way or road locations, acreage and boundaries depicted on maps are estimates only. These items are provided for informational reference only and should not be construed as a factual representation of matters such as physical location, access, parcel size, boundaries, soil conditions or capabilities and other matters contained thereon. The Borough has no responsibility for completeness or accuracy and makes no warranty, nor assumes any liability whatsoever for the information included, or that monumentation indicated on surveys or plats are currently in place.

Access may be shown on maps and plats. Bidder is responsible for determining if access is legal, constructed or maintained. It is the responsibility of the buyer to determine, acquire, locate, construct, maintain and defend the right to use any access route selected for use by the buyer.

Buyer is responsible for properly placing improvements within the boundaries of the parcel purchased and complying with all federal, state and local requirements and regulations regarding development of the parcel. It is strongly recommended that parcel boundaries be surveyed and all setbacks and other land use and building regulations be determined by the owner prior to any construction or improvements taking place. The Borough Planning & Land Use Department Development Services Division (907-861-7822) can assist you in determining whether any Borough regulations will apply to activity on the respective parcel. If the property is located within a city, the buyer is also responsible for meeting city land use and building regulations and permit requirements, and those of other federal, state and local agencies.

It is the responsibility of the bidder to determine if there are any covenants or if a homeowner's association is active and if any fees are assessed by the association.
