### 5 Year Comparison Of Net Position

By far the largest portion of the Borough's net position of \$777.4 million, or 79.0% of total net position, reflects its investment in capital assets (e.g. land, buildings, machinery, equipment, infrastructure, etc.) less any related outstanding debt used to acquire those assets. The Borough uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Borough's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since capital assets themselves cannot be used to liquidate these liabilities.

## Statement Of Activities

The Statement of Activities presents information which shows how the Borough's net position changed as a result of the year's activities. The statement uses the accrual basis of accounting, which is similar to the accounting used by private-sector businesses. All of the revenues and expenses are reported regardless of the timing of when cash is received or paid.

**Excise & Sales Taxes** — A tax is collected on any cigarettes or tobacco products acquired within or brought into the Borough; and taxes collected on the sales of marijuana and marijuana products.

**Property Taxes** — Taxes levied on the assessed value of property. Taxes are levied on January 1st, billed on July 1st and are payable in two installments in August and February.

**Transient Accommodations Tax** — A 5% tax on hotel/motel occupancy is levied areawide within the Borough.

**Grants** — Contributions of gifts of cash or other assets from another government or organization to be used for a specified purpose, activity, or facility. Typically, these contributions are made to local governments from the state and federal government.

**Charges For Services** — Fees collected for various services provided by the Borough. This includes but is not limited to permit fees, zoning and subdivision fees, foreclosure fees, clerk's office fees, business license fees, emergency services such as ambulance fees, and parks and recreation.

## Total Revenue For Fiscal Year 2022 \$234,784,315

As the Borough continues to grow in population, so does the tax base. Revenues from all taxes increased by \$4.3 million. The Borough's investments, in total, increased from the prior year and due to the weak investment market, earnings (realized and unrealized) decreased by \$6.9 million from the prior year.

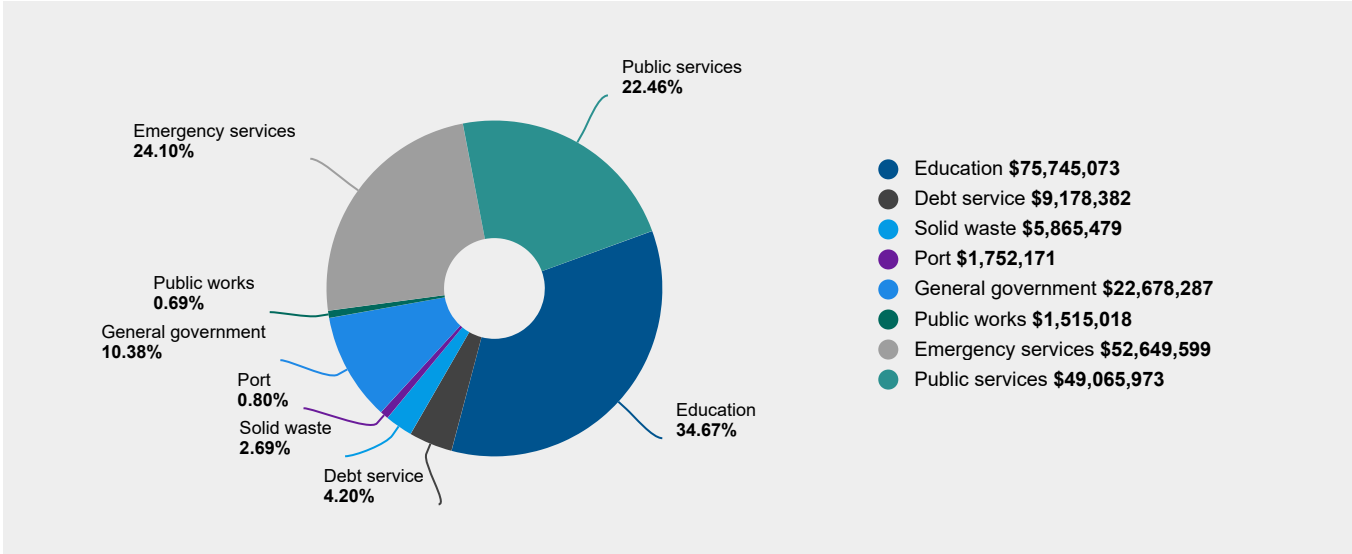

During the current fiscal year, the Borough's total net position increased by \$23.7 million.

## Expenditures: Money Out

Expenses increased overall by \$28.6 million from the prior year. During fiscal year 2021, approximately 34.7% of the Borough's primary government expenses went toward education with the remainder primarily providing emergency services, public services, and general government services.

### Total Expenditures For Fiscal Year 2022: \$218,449,982

### General Fund Expenditure Highlights

- Emergency services expenditures were \$2,069,560 less than budgeted, due to the CARES Act Special Revenue Fund covering these expenditures.

## Borough Budget Information

The borough budget is developed each year between December and the third week of April, when the manager's proposed budget is presented to the Assembly. Public hearings are held throughout the Borough prior to its adoption. The fiscal year 2022 Comprehensive Annual Budget was adopted by the Assembly on May 28, 2021.

### FY 2022 Budget

### The Borough's Budget For FY2021 Totaled \$410.1 million

The fiscal year 2021 assembly adopted comprehensive budget is approximately \$9.2 million more than the 2020 adopted budget. Capital increased by \$5.1 million. Additionally, Education increased \$1.6 million and General Government increased \$5.2 million, primarily as a result of an increased net debt service burden for education bonds.

In setting the budget for fiscal year 2022, the Borough considered a number of issues with Borough-wide impact, among them:

- A sufficient level of funding necessary to meet the needs of Borough residents, visitors and communities.
- A continued reduction in the historical variance between budget and actual revenues and expenditures.
- Maintenance of the Borough's financial condition including compliance with the Borough's fund balance policy.
- The highest level of local educational funding that Borough residents can reasonably afford and sustain and as allowed by state law.
- A high quality capital and operational maintenance program that ensures the continued use and economic value of Borough assets.
- Maintenance of the Borough's bond rating.
- The revenue from the CARES Act will help decrease the impact of COVID-19 on the Borough budget. The funds will help cover some of the emergency service wages for part of FY22.

If the first installment is paid on time, the second installment will be due as noted. However, if the first half is not paid on time it is delinquent and the entire tax becomes immediately due plus penalty and interest charges.

Envelopes **MUST** be postmarked on or before the due date(s) to avoid the penalty and interest charges. The Borough does not assume responsibility for the timeliness of postmarks.

Additionally, if your assessment declaration form was filed late or involuntarily for business property, a penalty has been added to the account and the total tax amount is due on the first due date.

Please contact our office if you have any questions regarding your tax bill. Thank you.

LIDS/Special Assessments: Property owners will be billed separately from this tax bill for any special assessments that may be due. Please contact the Borough at (907) 861-8632 if you have any questions related to this matter.
