TRAININGS & PRACTICE

WHY WE PRACTICE

Practice makes perfect

- Consistent rehearsal
 - Strengthen your familiarity with the EOC, ICS and how disasters progress.
- Refine delivery style
 - Pacing, tone, and emphasis on L.I.P.'s (life safety, incident stabilization, property conservation)
- Timing and transitions
 - Aim for seamless, professional delivery
- Practice for different scenarios/worst case scenarios
 - Enlist partners to engage, participate & provide feedback

Continue improving

Seek feedback

Reflect on performance

Explore new techniques

Set organizational goals of preparedness

Iterate and adapt

Repeat

TEAM WORK

RECOVERY OPERATIONS IN THE EOC- MOVING INTO EMERGENCY MANAGEMENT

IMPORTANCE OF UNDERSTANDING RESPONSE REQUIREMENTS AND DOCUMENTATION

State Disasters

State disaster fund

Usually 100%reimbursable from the
State

Work with all affected disasters

1-2 years to complete

Federal Disasters

Federal Stafford Act

FEMA 90% STATE 10%or 75-25%

Based on disasters

Greater paperwork and
documentation burden

Work with all affected departments

2-9 years to complete

THANK YOU...
