Voting Information

POLLING PLACES

The polls are open from 7 a.m. to 8 p.m. on Election Day. To locate your polling place, please refer to the information on page 7.

BRING IDENTIFICATION TO THE POLLS

You must be prepared to show one form of acceptable identification, which includes:

- Voter ID Card
- State ID Card
- Passport
- Birth Certificate
- Driver's License
- Valid Photo ID Card
- Military ID Card
- Hunting or Fishing License

If you do NOT have identification when voting, you will be asked to vote a questioned ballot. (See page 4 for more information.)

MARKING THE BALLOT

When voting the ballot, completely fill in the oval next to the candidate or issue you wish to vote for with a black or blue ink pen. Completely fill in the oval like this: 

You only have to mark the races or issues you choose to vote for. If you mark more than one choice in a race or issue, that section of the ballot will NOT be counted. The sections of the ballot that are properly marked will be counted.

If you make a mistake marking your ballot, do NOT erase or correct the ballot. Return the spoiled ballot to an election worker and request a new ballot. You may only receive a replacement for a spoiled ballot two times for a total of three ballots issued.

CAMPAIGNING PROHIBITED IN OR NEAR THE POLLS (ELECTIONEERING)

Electioneering is an act that is meant to persuade voters to vote in a particular way. During the hours the polls are open, no person who is in the polling place or **within 200 feet** of any entrance of the polling place may attempt to persuade a person to vote for or against a candidate, proposition, or question. Examples of electioneering include: discussion of candidates or issues, displaying campaign signs, bumper stickers, buttons, hats, and other like items.

Voting Information

QUESTIONED BALLOT VOTING

You will be asked to vote a questioned ballot:

- If your name is NOT listed on the precinct register
- If you do not have identification
- If you choose to vote outside of your precinct on Election Day
- If your qualifications to vote have been challenged

Before receiving a ballot, you must complete a questioned ballot envelope. Your voted ballot will be placed in a secrecy sleeve and sealed inside your completed ballot envelope. The information you provide on the outside of the ballot envelope will be used to determine your voting eligibility and to update your voter registration record with the Alaska State Division of Elections. If for any reason your questioned ballot is not counted, you will be notified in writing.

ASSISTANCE TO VOTERS

Non-English speaking voters, voters who are blind, physically impaired, or otherwise incapable of marking a ballot, may bring a person, or if necessary two persons, of their choice with them to the poll to assist them in casting their ballot. The persons assisting the voter may not be a candidate for office in that election, a family member of a candidate for office in that election, the voter's employer, agent of the employer, or an officer or agent of the voter's union. The person providing assistance must take an oath before an election official not to divulge how the voter cast their ballot. Voters may also request an election official to assist them.

Polling locations within the Borough do not have language assistance for voters who have limited English proficiency. If you or someone you know needs language assistance, please contact the Borough Clerk's Office at 907-861-8683.
