**PROPOSITION NO. 1**

**PRORATED SENIOR AND DISABLED VETERAN RESIDENTIAL PROPERTY TAX EXEMPTION**

The Matanuska-Susitna Borough provides a residential real property tax exemption to qualifying seniors, disabled veterans, and surviving spouses of each. A qualifying individual must own the property on January 1 to receive the tax exemption allowed under Borough code.

The Matanuska-Susitna Borough proposes to enact MSB 3.15.037(E) to allow for a prorated exemption. Under this prorated exemption, a qualifying individual who owns and occupies new property after January 1 and qualifies for the exemption will be able to receive a prorated tax exemption for the remainder of that year.

Should this ordinance become law?

**PROPOSITION NO. 2**

**ADVISORY VOTE ON MOTOR FUEL EXCISE TAX**

Currently in Mat-Su, almost all of the money to pay for local road improvements comes from property taxes paid by property owners. To broaden this tax base, the Matanuska-Susitna Borough could adopt a 7-cent-per-gallon motor fuel tax for a 1.5-year trial period as shown in Ordinance Serial No. 25-076. The tax would generate an estimated \$5 million annually which, with direction from the Assembly, could be spent to offset property taxes and fund road construction and maintenance.

Should the Matanuska-Susitna Borough enact a 7-cent-per-gallon motor fuel tax for a period of 1.5 years, automatically ending after that period and direct the Borough Manager to prepare future budgets allocating 50 percent of the revenue raised from the tax to be spent to reduce property taxes and 50 percent to be spent on voter-approved road projects?

NOTE: This vote is advisory only, and any legislation would still need to be adopted by the Assembly.
