**MATANUSKA-SUSITNA BOROUGH
RESOLUTION SERIAL NO. 16-065**

A RESOLUTION OF THE MATANUSKA-SUSITNA BOROUGH ASSEMBLY AMENDING THE SCHEDULE OF FEES FOR THE COLLECTION OF CONSTRUCTION AND DEMOLITION MATERIALS AS ADOPTED IN RESOLUTION 16-023 FROM \$125.00 PER TON TO \$120.00 PER TON.

WHEREAS, the Assembly adopted the FY17 schedule of fees for the Solid Waste Division on June 7, 2016 in Resolution 16-023; and

WHEREAS, this Resolution set the disposal fees for construction and demolition materials at the same rate as municipal household waste; and

WHEREAS, municipal household waste must be deposited within a lined landfill cell at a significantly increased expense; and

WHEREAS, given nature of materials deposited in the construction and demolition cell, customers may occasionally run over nails and debris causing flat tires and driving them towards preferring not to enter the construction and demolition debris cell; and

WHEREAS, the lack of difference in price will drive customers to be indifferent towards segregating construction and demolition debris from household waste which will greatly increase the volume of materials entering the lined cell; and

WHEREAS, these behaviors are anticipated to significantly drive up costs associated with landfilling the waste due to

significant increases in use and subsequently loss of anticipated life of the lined landfill cell at potential cost of several million dollars annually in air space; and

WHEREAS, as such we submit a change to the Construction and Demolition disposal rate from \$125.00 a ton to \$120.00 a ton.

NOW, THEREFORE, BE IT RESOLVED, that the Matanuska-Susitna Borough Assembly amends the schedule of fees for the collection of construction and demolition materials as adopted in Resolution 16-023 from \$125.00 per ton to \$120.00 per ton.

ADOPTED by the Matanuska-Susitna Borough Assembly this - day of -, 2016.

VERN HALTER, Borough Mayor
