XII. ADJOURNMENT

Library Board Staff Update

Fall is a busy time in all of the Borough libraries. School is now fully back in session, and we see an increase in youth attendance as many kids come to our libraries as an after-school activity. Our libraries serve as polling places in their communities and there were several voters who came in to cast their ballots for the State primary election. We anticipate more to come during the Federal and State elections slated for the first Tuesday in November. And while the 4th of July has come and gone, our libraries continue to celebrate America's 250th anniversary with patriotic decorations and programming.

Libraries, along with the rest of the Division, are currently in the process of conducting a deliberate labor hour analysis in order to objectively determine the ratio of tasks, services, and work performed in libraries compared with the number of staff and accompanying labor hours required. When complete, this will allow us to make more informed staffing decisions and analyze budget needs.

Finally, the libraries are working on a deliberate and intentional marketing strategy to best highlight the important role they serve in our communities. The intent is to provide a steady stream of informational, public interest, and relevant information about each of our library sites and highlight important coming events as well as report on interesting and relevant events that have happened. Watch our various Facebook and Instagram feeds to see what's happening.

What follows below is a by-location summary for each library:

Monthly stats:

Library	Program Attendance	Media Check-outs	Computer/WiFi Usage	Patron Headcount
Sutton	377	1791	430	2100
Big Lake	Not available	Not available	Not available	Not available
Trapper Creek	47	724	124	392
Talkeetna	1341	1505	639	9713
Willow	111	2434	525	1676

Trapper Creek Library October Update.

In September we got back to our winter schedule starting up our Homeschool programs – teens one week and kids under 10 yrs old the next week and Afterschool programs – K/1/2 one week and 3/4/5 the next week plus STEM one day a week. We've held 11 programs with 47 people attending. Next month we will start up our Movie Night and Adult Craft program.

During the August State Primary we had 33 people come in and early vote, the General Election Early Voting for both the Borough and State elections will be here October 19 – November 2.

Willow Library Update.

Preschool Storytime Returns

Thursdays at 10-11am

Preschool Storytime resumes on Thursdays, at 10am. Preschool-aged children and their caregivers are invited to enjoy stories, a craft activity, and time to explore the Willow Community Center's large activity space.

Homeschool Hangout Returns

Fridays from 2:00 to 4:00 pm

This informal gathering provides homeschool families with activities, games, and opportunities to connect. Teen-friendly activities will also be available. This program takes place during the same time that the IDEA representative is available at the library.

Fiber Arts Group

Third Wednesday of each Month from 11:30am-2:30pm

Join Ginger to work on your fiber arts projects. Participants can share ideas, receive crochet tips, and enjoy good conversation. We have had 3-4 crafters come and participate each time.

Mentoring Program Returns

Wednesdays from 3:30-4:30pm

The Mentoring Program will return in October. Students are referred through Willow Elementary School and are matched with volunteer mentors. Participants meet weekly throughout the school year, providing students with additional support, encouragement, and opportunities for enrichment through reading, games, and other activities.

Talkeetna Library Update

Welcome to the Talkeetna Library! I am the new librarian here, and I'm very excited to be settling into my new role. Since I moved up from Assistant Librarian, we needed to hire a replacement. We had some great applicants, and after two rounds of interviews, we hired Christina O'Dell who will officially start this week.

Programs & Up Coming Events

Story Time resumed in August with Ms. Lindsey. Ms. Geri will also return once a month for Science Thursdays and to fill in when needed.

Art for Seniors — Charcoal Drawing Class: This class with artist Michelle Cornelius started last week and filled up right away. We had a great first session and are looking forward to tomorrow's class.

Breakfast Book Club starts tomorrow.

Reading Mentors will start on September 22nd. We began advertising for sign-ups this week. This program pairs kids in 1st–3rd grade with an adult they can read to, and this will be the 9th year of the program at our library.

Sizzle and Stir Children's Cooking Class is starting again this month. We held two sessions last year — one in the fall and one at the beginning of the new year. This year, the Friends of the Talkeetna Library received a \$750 grant from the Jessica Stevens Community Foundation to purchase food for the program.

Culinary Creations (Adults' Cooking Class): In addition to the kids' cooking class, we also offer one for adults. Previously called Stone Soup, this class needed a fresh start with a bit more structure, so we renamed it Culinary Creations. We're lucky to have secured a resident chef — she works at the Talkeetna Alaskan Lodge — who will teach a class each month throughout the winter.

Big Lake Library Update

Short update for Big Lake Library. Our librarian Cassidy Drake and her husband welcomed Owen Drake, born September 20th. Mother and son doing well and Cassidy is understandably taking some time off. Paige Moore will be filling in while Cassidy is enjoying new baby.

Sutton Library Update

I want to introduce a **new collection category** on the approval list. **Kits** are a designator for things that have multiple items or pieces. Examples from the Sutton Library include: Frisbee Golf Sets for our local frisbee golf course, an outdoor winter activity pack, puzzles, games, and Learning Kits (we own close to 50 and you can find everything from learning letters to robotics). This isn't a new category for the libraries, but it is one you haven't seen before, so we wanted to make you aware of what it was. This means you may see multiple items under the title line if the item for requested approval is a kit.

On the following page, the picture represents the process Cassidy described last meeting for monthly purchases.

RE: Flagged Library Material – Final Decisions

Titles: The Sixth Faction (Book 1) and The Last Testimony (Epic Conclusion to the Sixth Faction – Book 2)

Author: Veronica Roth

The titles are written by a widely acclaimed author whose work has received significant literary recognition and achieved substantial readership worldwide. These books demonstrate recognized literary quality, documented public interest, and anticipated demand. The duology supports recreational reading, has favorable reviews and remains relevant as part of a highly popular series frequently sought by library patrons. Acquisition of these titles is consistent with the library's mission to provide access to popular materials, support a range of reading interests, and maintain a collection responsive to community demand. The titles will be shelved in the Adult Collection.

Title: Masters of the Universe

Produced by: Todd Black

Masters of the Universe by Todd Black is affirmed for purchase. The title meets multiple selection criteria, including documented patron interest, enhancement of the existing collection, and anticipated demand associated with a well-known and enduring entertainment franchise. It supports the library's goal of providing popular materials that reflect a broad range of recreational interests and contemporary culture. To note, the film adaptation carries a PG-13 rating, and since parental guidance is suggested the title will be shelved in the Adult collection.

Title: The Gender Wheel

Author: Maya Gonzales

The Gender Wheel by Maya Gonzalez is not approved for shelving at this time. The title does not address an identified gap in the collection and there is no documented patron interest. Furthermore, the title remains readily available to residents through the Joint Library Network's interlibrary loan system.

Title: 72 Hours of You

Author: Darianne Schramm

72 Hours of You by Darianne Schramm is placed on hold for purchase for further review at this time. The title appears to align with the interests of the Young Adult collection, has received favorable reviews, and was recently published. However, as this represents the author's debut literary work, additional evaluation is warranted before a final purchasing decision is made. Deferring the purchase will allow for further assessment of the title's long-term relevance, anticipated demand, and overall fit within collection development priorities.

Title: Absent

Author: Rex Ogle

The title addresses the timely and relevant topic of chronic absenteeism in schools, contributing meaningful subject coverage to the library's collection and supporting the educational and informational needs of the community. The work has received professional recognition through the author's award-winning body of work, and based on its relevance, recognized literary quality, and value in strengthening the collection's coverage of contemporary youth issues, purchase is affirmed and shelved in Young Adult collection.

Title: Our Strange Duet

Author: Erin A. Craig

Our Strange Duet by Erin A. Craig is affirmed for purchase and will be shelved in the Adult collection. The title meets multiple selection criteria, including recognized literary quality, anticipated patron demand, and enhancement of the existing collection. Written by an acclaimed author, the novel offers a contemporary retelling inspired by *The Phantom of the Opera*, one of the most enduring works in modern theater. Its themes and crossover appeal to adult fantasy readers support placement in the Adult collection, where it aligns with comparable works.

Title: The Ending You Deserve

Author: Rebecca Stafford

The title meets multiple selection criteria, including enhancement of the existing collection, and anticipated patron interest. Written by an award-winning author, the novel contributes to a diverse and contemporary fiction collection while supporting the library's goal of providing popular and relevant reading materials for the community. The title will be shelved in the Adult Collection.

Title: The House of Gardenias

Author: Isabel Canas

The title meets multiple selection criteria, including enhancement of the existing collection, and anticipated patron interest. Written by an award-winning author, the novel contributes to a diverse and contemporary fiction collection while supporting the library's goal of providing popular and relevant reading materials for the community. The title will be shelved in the Adult Collection.

Title: The Siren

Author: Tomi Adeyemi

The title meets multiple selection criteria, including enhancement of the existing collection, and anticipated patron interest. Written by an award-winning author, the novel contributes to a diverse and contemporary fiction collection while supporting the library's goal of providing popular and relevant reading materials for the community. The title will be shelved in the Adult Collection.

Title: The Wrath and The Dawn

Author: Renee Ahdieh

The title meets multiple selection criteria, including enhancement of the existing collection, and anticipated patron interest. Written by an award-winning author, the novel contributes to a diverse and contemporary fiction collection while supporting the library's goal of providing popular and relevant reading materials for the community. The title will be shelved in the Adult Collection.

Title: We're All Going to Die Tonight

Author: Veronica Bane

We're All Going to Die Tonight by Veronica Bane is not approved for purchase at this time. While the title aligns with a popular genre and may appeal to some readers, the author has a limited publishing history and does not yet have the established body of work, or professional recognition. The title is expected to be available through interlibrary loan services, ensuring access for interested patrons into the future without requiring local purchase at this time. Staff are requested to monitor patron requests and circulation interest related to this title and report back for future consideration should documented demand emerge.

Title: Young World

Author: Soman Chainani

Young World by Soman Chainani is not recommended for additional purchase. The title is authored by a bestselling writer with a long record of critical acclaim, professional recognition, and successful literary franchises, meeting multiple selection criteria including recognized literary quality and anticipated reader interest. However, copies are already available within the Mat-Su library system and through other participating libraries in the network. Given the existing availability of the title and the ability of patrons to access it through local lending and resource-sharing arrangements, an additional purchase is not warranted at this time. This decision supports efficient stewardship of collection resources while maintaining patron access to the work.

Title: Families, Families, Families!

Author: Suzanne Lang

This title is not approved for shelving in MSB Libraries at this time. The work is available to interested patrons through interlibrary loan from at least four Alaska libraries, providing reasonable access.

Borough Libraries FAQ

Borough libraries are so much more than books! They provide year-round, programming and services for all ages and are a local hub for information, technology, education, and civic engagement. Library services include:

- Free Wi-Fi and public computer access
- Books, audiobooks, e-books, and other digital resources
- Access to materials from libraries across Alaska through the Alaska Library Network
- Free online learning tools, including Live Homework Help through SLED
- Notary services, test proctoring, and technology assistance
- Meeting spaces for community groups and organizations
- Early Voting and Election Day polling locations in some communities

Where are the Borough-owned and operated Libraries?

You can find our five libraries in the communities of Big Lake, Sutton, Talkeenta, Trapper Creek and Willow.

Can members of the public reserve a meeting room at a Borough Library?

Meeting rooms are available for reservation at Borough Libraries. Contact the appropriate library to get further details. Reserve a room online: [Library Room Rental Information and Reservations](#).

How do I obtain a library card?

Adults apply in person at one of the five libraries. All that's needed is a valid Mat-Su address and a picture ID.

Can a minor obtain a library card?

A parent or legal guardian must be physically present to apply for a library card for their minor child. As part of the application process, the parent or guardian signs the application, acknowledging the responsibilities associated with the card including, but not limited to:

- They are the parent and/or legal guardian of the child.
- There are no age restrictions on the use of library materials.
- They accept responsibility for the child's selection and use of library materials.
- They accept responsibility for materials checked out on the child's card, including items checked out for another person.

Can parents or guardians receive a notification when their child checks out library materials?

Yes. Parents and guardians may opt in to receive email notifications whenever their child checks out library materials. To enroll, simply visit your local library, confirm you are the parent/guardian on the record and have a valid email address where notifications should be sent.

Borough Libraries FAQ

How are library materials selected?

Library materials are evaluated using multiple criteria outlined in the Administrative Policy: Library Collection Development. These criteria include community relevance, suitability for the intended audience, professional reviews, accuracy, literary merit, patron interest, and other factors before final decisions are made. Using this policy, library staff procures a monthly list of titles. The list of requested materials is then presented to the MSB Library Board to review and provide input about the materials requested. The criteria in the Administrative Policy and the advisory vote inform the final decision on which materials to purchase.

Can I request materials for the library collection?

Yes, residents are welcome to suggest materials for the Borough Library collection. To request an item, contact your local Borough library staff or visit your library for assistance.

How are library collections organized?

Library materials are organized into collections based on intended audience, format, and other collection development considerations. Collection organization and shelving are periodically reviewed to support accessibility, ease of use, and consistency across Borough libraries.

What if I would like the Borough to reconsider shelved library material?

Matanuska-Susitna Borough residents and library cardholders may request reconsideration of library materials using the Borough's formal reconsideration process. To submit a request for reconsideration, complete the online form available at: [Library Material Reconsideration Request](#). Once a request is submitted, it is reviewed through the Borough's established reconsideration process, which includes the opportunity for an advisory review and a final administrative decision. The MSB Library Board serves in an advisory role and may review challenged library materials and provide recommendations. Per Assembly directive, the Community Development Director is responsible for making the final decision regarding challenged library materials. Final decisions remain in effect for three years.

What is the MSB Library Board and how can we provide input?

The Mission of the Matanuska-Susitna Library Board is to strengthen library services within the Borough by acting as an advocate to ensure adequate funding, review policies, and aid in the development of long-term plans for libraries within the Borough. Residents are welcome to share their input with the Library Board in several ways. You may attend a Library Board meeting and speak during the Audience Participation portion of the agenda or contact Library Board members directly using the directory available on the Library Board webpage. For meeting information, board member contact information, agendas, and other resources, visit the [Library Board webpage](#).
