

SUNSHINE CREEK RECREATION SITE IMPROVEMENTS

Matanuska-Susitna Borough PROJECT FACTS

Project Scope

Improve the recreation site access road to Pioneer Standards, expand the parking area, add overflow parking/camping spots, and add RV camping spots to increase distance between users.

Benefits

Improve drainage of water off the roadway by creating ditches, provide more parking spots which will encourage less parking on access road, which in turn allows for improved emergency vehicles access to get around the loop, and promote COVID-19 responsible recreation with appropriate distancing.

- More parking
- Overflow parking/camping spots
- Fire rings for safe burning
- Camp tables for family style eating
- Access road with drainage
- Owner supplied firewood on site

Status

Project to be complete at the end of October 2020.

Project Costs

OT Enterprises LLC = \$153,019.55

Federal Cares Act funds = \$100K
